

Multi Age Program June 2017

Children and Program

In the month of June, the multi age program will be focusing on Pirates, Ocean and camping themes. Our class will also be exploring a few different science experiments, working on our Father's Day gift and will also have some special days in June.

This will be the last month of program until September. If you need care for September, please speak with Becky as it will fill up fast.

If you have not already registered for our Summer Program, we hope you have a fabulous summer and look forward to seeing you back in September!

Reminders

Please send your child daily with:

- Sunscreen
- Hat
- Change of clothes (for water play outside)

We will be going outside daily and with the warmer weather we want to ensure all children are protected from the sun. PLEASE HAVE YOUR CHILD ARRIVE WEARING SUNSCREEN.

Huge thank you to all the families who donated toys, clothing and everything to our 4th Annual Sidewalk Sale, it was a great success! We raised \$326.35
