

Preschool June 2017

Children and Program

June came quickly, with this being the last month before we close for the summer months. The children will be working on various art activities to get ready for Father's Day and with our Graduates moving onto Kindergarten in the fall 2017.

We are going to continue to start our program outside, so please ensure that your child is arriving with sunscreen on as it's getting warmer out there.

A huge thank-you to all the families who donated items for our 4th Annual Sidewalk Sale; it was a great success! We were able to raise \$326.35 towards new toys for the children.
