

Preschool March 2019

Children and Program

Starting March 4th, we will be starting outside unless the weather is too cold. Please ensure your child is dressed appropriately to stay outside for minimum 30 minutes.

We will also be continuing working on our names and letter recognition. Something new that we have implemented is looking at the letters in the alphabet and knowing what each letter typically sounds like. We will be doing 2 letters a week. After attending a speech workshop in February, they noted how important it was for children to understand the sounds of letter and how this will positively influence their reading skills.

Please check our lost and found. It's accumulating lots of things. It's located on top of the table where the children put their inside shoes.

We go outside daily with the children unless it's extreme weather conditions. Please ensure your child has water proof mittens, toque, jacket and warm winter boots.

If your child is going to be away, please call the Centre at 250 242 4503.
