

# Preschool November 2019

## Children and Program

Welcome back to Ms. Stacey as she was away the last week of October getting married. Congratulations!

The children will continue learning, exploring and developing in all areas; physical, emotional social cognitive, language and self-regulation.

We have been discussing the two rules we have at preschool.

1. Being Safe
2. Being Friendly

We will also be talking about feelings and being able to correctly label them.

M/W/F Preschool class will be participating in the Teatree Tells Program. If you have any questions please do not hesitate to speak with us.

## Important Dates

## General Information

We need your help in our fundraiser at the Craft Fair. We are looking for baking, knitting, crafts ect that will help fill our table. Please have everything packaged individually and labeled with ingredients. We're also seeking volunteers to run the table, sign up sheet will be in the hallway.

Thanks to those parents who brought in shared snack, volunteered for our field trip! This really helps out the Centre.

If your child is sick with a consistent cough or runny nose, please keep them home to help prevent spreading germs.

We will be selling tickets for a fundraising raffle, poster displayed in hallway. We are asking each family to help us sell tickets.

## Reminders

Please ensure drop off and pick up are prompt at 9:00am and 11:30am

We go outside daily with the children; unless it's minus 18 degrees Celsius or colder. Please send waterproof gloves, snow pants, toques, and warm winter jackets every day!
